

Lasnek wire basket is designed to be one of the strongest trays of its type, using specific manufacturing techniques. Each cable tray is available in a range of widths and wall heights, with a choice of stainless steel grades.

Manufactured using either 316L or 304 the wire basket cable tray system provides a cost effective solution for applications requiring both strength and installation flexibility in demanding environments. Using a huge range of fitting and accessories the Lasnek DE range of wire basket tray provides a quick and easy solution for every installation.

Standard Features:

- n Material: 316L - 1.4404 stainless steel wire or 304 - 1.4301
 - 4mm diameter wire <75mm
 - 5mm diameter wire >75mm - 320mm
 - 6mm diameter >320mm
- n Lengths: 2.5 Metre
- n Fittings: None required - cut or form to create required angles
- n Mountings & brackets: Huge range available
- n UL Approved: File No. E80034
