

The KS-10 range of standard electrical 3 metre wireway and accessories are manufactured to our own design from 1.2mm / 18 gauge stainless steel and are suitable for hygienically sensitive areas.

Designed to the same specification as the 'KM' series, the KS-10 range has the additional benefit of an apex cover with a 10° angle, preventing the build up of unwanted material deposits.

For specialist requirements, such as use in corrosive environments, the KS-10 range is also available in 316L - 1.4404 stainless steel.

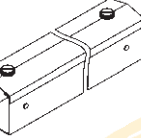

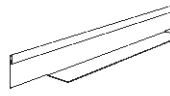

## Standard Features:

- Cover: Unique 10° pitch cover for lengths & fittings
- Material: 1.2mm / 18 gauge 304 - 1.4301 (Sizes < 200mm) stainless steel
- Material: 1.5mm / 16 gauge 304 - 1.4301 (Sizes > 250mm) stainless steel
- Finish: 220 Grit - Satin finish
- Lengths: 3 Metre - complete with associated coupler and fixings
- Fittings: Choice of cover configurations - complete with coupler and fixings
- Dividers: 1.2mm stainless steel complete with top edge return
- Divider Fixing: Universal - complete with bonding tape
- Accessories: Available for all sizes
- UL listed: File No. 206295

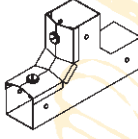

## Options Available:

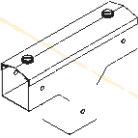

- Lengths: other dimensions available
- Material: 316L - 1.4404
- Finish: Mirror
- Fittings: Bespoke & universal on request
